

RECYCLING AT NORTH STEWART ELEMENTARY

Parent, Guardians, and Friends:

We have started **RECYCLING** at North Stewart Elementary!! We have a great team of students, and we are excited about recycling. The Recycling Team would like to take this opportunity to remind you of the ways in which your family can reduce trash and help the school. Below you will find a list of the items that can be accepted here at North Stewart.

The following items can be dropped off at the school for recycling:

1. **PLASTICS** (must be marked #1 or #2 with a neck) – Example: milk jugs, soda bottles, etc.
2. **ALUMINUM CANS** – Examples: soda cans
3. **TIN CANS** – Examples: soup or vegetable cans
4. **ONLY WHITE/COLORED COPY PAPER goes in the BLUE RECYCLE BAGS throughout the school.**

Before you bring your materials, we do ask that you help us in staying clean and safe by **RINSING ALL ITEMS THOROUGHLY**, remove lids, crush them (to save space), and **BAG** them. When you bring in materials, please place them in the designated large blue container that is located on the sidewalk in front of the school.

PLEASE DO NOT SEND RECYCLE ITEMS ON THE BUS WITH YOUR CHILD!!!!!!!

We appreciate your cooperation, and we hope you will begin to be involved in this very important program. **For every item we recycle, North Stewart Elementary School receives funds.** Therefore, not only are we helping to protect our environment, but we are also helping to improve our school.

Thank you from the Recycle Team Committee.

5 SIMPLE STEPS TO RECYCLE AT NORTH STEWART ELEMENTARY

1. **Take off the lids**
2. **Wash the container**
3. **Squash the container**
4. **Put in a bag**
 - **PARENTS MAY DROP OFF RECYCLE ITEMS AT NORTH STEWART ELEM. IN OUR BLUE RECYCLING BIN WHICH WILL BE LOCATED IN FRONT OF THE SCHOOL BETWEEN THE HOURS OF 8:00 AM AND 3:30 PM.**
