Almost all children brought back the completed Computers for Education booklets! Thank you so much for caring about our school!! Our class alone raised \$120 just by turning in the booklets!!

**Several children have NEVER turned in one reading log ALL YEAR!!! I'm sure many of those have been read to, but no one has filled out the log. They won't receive their prizes and be recognized in the award ceremony if they can't show they've at least been read 50 books each nine weeks (that's two reading logs). Please send those in!**

Please help your child work toward ABC and Math clubs. We need more students in the Popcorn club, too!!

## Congratulations!!
