

# November Student of the Month—Christiana Wynn

---

Christiana Wynn was chosen as November Student of the Month by the Stewart County High School (SCHS) faculty. This award was given in acknowledgement of her academic achievement, student involvement, and for serving as an exceptional role model for underclassmen. After high school, Wynn plans to attend Nashville State with the goal of becoming a child life care specialist.

Wynn is a dedicated student and has taken on the challenge of dual enrollment math and English courses. Family and consumer science teacher, Abby Cunningham, offers these words of praise, “Christiana always portrays exceptional character and leadership qualities. She is an incredible student, continually going above and beyond in all the work that she does and exemplifies what a top-notch student looks like. Christiana's work ethic and academic successes will guarantee her future success.”

A four-year member of Fellowship of Christian Athletes (FCA), Wynn has faithfully served the organization. She currently holds the position of President and for four years has worked as the Communication Coordinator. Math teacher and FCA sponsor, Rebecca Grasty, affirmed Wynn’s contribution to the organization remarking, “I have known Christiana Wynn for three years as a student and a member of FCA here at SCHS. This year she is our FCA President, and has proven to be a great leader for our student body. She is compassionate, and genuinely cares about our students’ needs. I appreciate her kindness toward others and her leadership as FCA President.” A favorite among her peers, Wynn was elected Junior Class Favorite, Junior Class Prom Queen Runner-up, and Football Homecoming Senior Attendant.

Wynn plays an instrumental role in the operation of Blends & Brews, a SCHS school-based enterprise. Daily she is responsible for the Point of Sale system and its reconciliation. As a two-year member of Family, Career and Community Leaders of America, she assisted on a monthly basis the packing of 100+ backpacks for students in need in Stewart County. She also worked many hours organizing and preparing for a Halloween event for Dover Elementary. She is a one-year member of the Lady Rebel Softball Team, a one-year member of Spanish Club, and a member of Beta. As Beta Club President, Wynn created and organized a fundraising event to support the organization.

Reflecting on her high school journey, Wynn states, “Even though some of my time at SCHS was cut short due to COVID, I was still able to experience great opportunities and learn some valuable lessons. Always put yourself first. This may sound a little selfish, but it’s worth it. No class, grade, school drama, single person, or extracurricular should ever take priority over your well-being.”

Christiana is the daughter of Billy and Valerie Wynn.
