Final list of state approved mathematics textbooks available for adoption and implemented in 2023-24 School year. Everyone in the community is welcome and invited to provide input on the textbook adoption process. The adoption committee will consider this input as part of the final selection process. The links below in the "Review/Online Resources" section will allow you to see which books have been approved for adoption by the State Board of Education and to view samples of these books online. Then, please use this link https://forms.gle/iNL6JyzYaGjGsmHL9 to an online comment form to provide your input. Responses will be accepted through January 31, 2023. If you're having trouble with the links below, use this link https://www.tennesseebook.com/state-information/adoption-samples-registration to register and view online samples provided by TDOE.
