VISITORS

In general, visitors are limited to "appointment only". Appointments should be scheduled at least 24 hours in advance. Those attending appointments will be screened upon entry. When items need to be dropped off or picked up, locations outside of the main door will be used.

SCHOOL SUPPLIES AND WATER BOTTLES

School supply lists are available on the websites. It will be important that all students have their own supplies, as sharing will be limited. Students must bring their own water bottles, as water fountains will not be available. Filling stations will be available.

PARENT- SCHOOL COMMUNICATION

Parent-Teacher conferences are held three times a year, in the months of September, November and March. Parents are encouraged to contact their child's teacher if the need arises anytime throughout the school year. Parents may call the office to schedule a conference. Many teachers are using apps such as Dojo or Remind. Teacher's emails are listed on our website that can be accessed from stewartcountyschools.net.

Grades 1-5 use Agenda books. These Agenda books are daily planners that the student will use to write down homework assignments and test date information. It is a daily communication tool between teachers, students and parents.

REQUEST FOR MEETINGS

It is the desire of the Stewart County School System to provide parents with opportunities to request meetings, to formulate suggestions, and to participate in decisions relating to the education of their children. If you would like to request a meeting with your child's teacher please contact the teacher and a meeting will be scheduled. If you wish to meet with an administrator, please email or call to request a meeting.

GETTING INVOLVED IN THE SCHOOLS' PLANNING PROCESSES

Advisory Committee

North Stewart Elementary has a School Advisory Council consisting of representatives from each grade level, support staff and parents. If you have a concern, please place a written and signed letter stating the problem and email your concern to debbiegrasty@stewartcountyschools.org . The Advisory Council meets on a monthly basis or as needed based on requests.

School Improvement Planning Teams

School improvement is a continuous process utilized in Tennessee schools to ensure that schools are meeting all students' needs. School Improvement teams are one way to begin building the professional learning communities needed to support the continuous improvement effort. These teams are charged with learning to effectively use data to determine student performance goals and to use research to identify strategies and interventions to achieve these goals. School-wide planning includes all constituencies involved in the school. The quest for tools to improve student learning will be sustained throughout the continuous school improvement process.

Each school develops or updates a School Improvement Plan every year. If you would like to be a part of your child's School Improvement Planning Team, please contact the school's administration.

School PTO

The objective of the PTO is to promote the welfare of all children through a working partnership among the parents, educators, and the community at large. We encourage everyone, parents and community members alike, who are concerned about the welfare of children, to use the PTO as a vehicle for becoming involved in education. Please follow North Stewart Elementary School on our Facebook page for PTO meetings and announcements.

Effective Schools Surveys

Each November parents of students in the Stewart County School system should receive a survey concerning their student's school. This survey is an important data source for the schools to use in their school improvement process.

FAMILY RESOURCE CENTER

Coordinator: Nancy Spiers (nancyspiers@stewartcountyschools.org)

1. The purpose of the Family Resource Center is to provide families with an additional support system that will assist them in identifying and addressing home/community barriers to their child's success in school.
2. The Family Resource Center acts as a family education center and offers a place where families with children can turn to for guidance, counseling, networking and problem-solving.
3. The Family Resource Center acts as a referral agency helping families to connect with resources that will aid problem solving.
4. The Family Resource Center encourages the development of strong families and the preservation of the family unit. Parents are recognized and valued as a vital part in the solution-finding process. The intervention is hoped to break the cycles of at-risk behaviors which may lead to family disruption and impede school success.
5. The Family Resource Center is a comprehensive family program that offers support and information to families in need. The Family Resource Program links families with resources and services available within the community.

NONDISCRIMINATION POLICY

It is the policy of Stewart County School System not to discriminate on the basis of sex, race, national origin, creed, age, marital status or disability in its educational programs, activities or employment policies as required by Title VI and VII of the 1964 Civil Rights Act, Title IX of the 1972 Educational Amendments, and Section 504 of the Federal Rehabilitation Act of 1973.

It is also the policy of the district that the curriculum materials utilized reflect the cultural and racial diversity present in the United States and the variety of careers, roles, and lifestyles open to women as well as men in our society. One of the objectives of the total curriculum and teaching strategies is to reduce stereotyping and to eliminate bias on the basis of sex, race, ethnicity, religion, and disability. The curriculum should foster respect and appreciation for the cultural diversity found in our country and an awareness of the rights, duties, and responsibilities of each individual as a member of a pluralistic society.

Inquiries regarding compliance with Title VI, Title IX, and Section 504 may be directed to:

Stewart County Central Office 232-5176
Tracy Watson, Interim Director of Schools
Marian Page, Section 504
Tracy Watson, Title VI, Title IX

The Stewart County Board of Education provides services for all eligible students under IDEA, Part B and Section 504. If you know of a child who may be in need of services due to a disability, please contact the Stewart County Board of Education at 232-5176.

North Stewart Elementary uses the State of Tennessee Curriculum Standards and The Blueprint for Learning as the basis for instruction. This information can be accessed from our school website at www.stewartcountyschools.net.

ESL PROGRAM POLICY

The English as a Second Language (ESL) Program Policy is designed to set minimum standards for Tennessee school districts in providing services to non-English language background (NELB) students who are also limited English proficient (LEP). These students are referred to as English Language Learners (ELLS).

States, districts and schools are required to provide specialized programs for LEP students to comply with Title VI of the Civil Rights Act of 1965 and T.C.A 4-21-90. This ESL policy has two purposes. First, it establishes the minimum required compliance components for implementing effective educational programs for ELLS. The ESL contact person for Stewart County Schools is Brenda Smith.

North Stewart Elementary School Title I School-wide Program

North Stewart Elementary School is a Title I school-wide school. Effective school-wide programs are about ensuring high levels of academic success for all students. A school-wide program is built on reform strategies rather than separate, add-on services. The focus of a school-wide program is to implement research-based programs that improve instruction in every aspect of the students' school experience. Opportunities are provided for all children to meet the state's proficient and advanced levels of student performance. Instruction is provided by highly qualified professional staff. Professional development opportunities which focus on researched best practices are provided for teachers, educational assistants, and other staff. School-wide programs have flexibility in the use of federal funds and allows for shared decision making. The Title I schoolwide program at North Stewart Elementary fosters both equity and excellence. If you have questions concerning the Title I program or would like to view the Title I Consolidated Application, please contact the local Board of Education at 232-5176.

FEDERAL PROGRAMS

The federal government provides funds for the following programs within a school system: Title I, Title II, Title III, Title IV, Title V, Migrant and Homeless. Stewart County meets the criteria to receive funds in the following federal programs:

Title I - Both elementary schools meet the criteria to be Title I School Wide schools. Criteria is based on the number of students receiving free and reduced lunches. Every student is considered a Title I student in a school wide school. The purpose of Title I is to work with students who are at-risk of failing.

Title II – Federal funds provide staff development opportunities for teachers in areas of science and math.

Title IV – Federal funds are provided to ensure a safe and drug free environment. These funds are used for programs such as DARE, GREAT, etc.

Title V – Federal funds are used for staff development opportunities as well as parent trainings and supplies used through the Center.

At the present time, Stewart County does not meet the criteria to receive funds for Migrant and Homeless students. However, if you have questions about these programs or those mentioned above or you know of a migrant or homeless child in our community please contact the Board Office at 232-5176.

504 Complaint Procedure

The coordinator will hear ADA/Section 504 complaints. Complaints shall be submitted orally or in writing to the coordinator who will endeavor to accomplish prompt and equitable resolution of complaints alleging any action that would be prohibited by the ADA/Section 504. The coordinator will respond to all complaints within twenty (20) days with a written response as well as information on further grievance procedures that may be followed if the complaining party is not satisfied with the coordinator's proposed resolution.

POSITIVE BEHAVIOR SUPPORT Information

North Stewart Elementary envisions ALL children and youth receiving exemplary educational services from exceptionally prepared educators. We will work hard to bridge the gap between research and practice by empowering our school, educators, administrators, and families to implement research-based, best and promising educational practices with all school-aged children. In doing so, we hope to facilitate a merger of general, vocational, and special education services into a unified, seamless system of education serving ALL students with equity and excellence.

In 2004, we began working on a School Wide Plan for Positive Behavior Support that addressed the behavior of all students at NSE. The initial goal was to identify the behaviors that we thought were most important. This process involved a team of parents, students, teachers, community members, and administrators. The rules identified for NSE were- Be Here, Be Prepared, Be Respectful and Be Responsible. Classroom teachers then worked with students to decide what it would look like or sound like to be Respectful in the classroom, hallway, bathroom, cafeteria, bus, playground or gym. The same process was used for teaching students to be respectful and prepared for class. Using research-based techniques provided by the LRE for LIFE Project now Ed Excellence teachers taught students the desired behaviors for each of these school locations.

School Wide Positive Behavior Support is embedded in every aspect of our school program. LRE for Life is an acronym for Least Restrictive Environment for Living, Inclusion, Friendship, and Employment. It denotes that the ultimate task of schools is to prepare its students to live as valued, contributing, democratic citizens with meaningful relationships and satisfying careers. The project has provided our school with data driven professional development and technical assistance that have paved the way for developing our discipline plan and establishing a positive school climate. Our school is a place where students and teachers want to be. By creating such a nurturing and caring environment, children feel safe and our teachers work hard to meet not only the academic needs of the students but their basic needs as well. Food, shelter, clothing and medical needs cannot be ignored. By working with government agencies as well as private organizations, North Stewart Elementary School makes every effort to ensure every child has what they need in order to be successful.

Ed Excellence has given our school the tools we need to collect data from many sources to make informed decisions about school practices and policies. We devote a tremendous amount of time and effort to disaggregating this data. Our teachers use this information to make changes in their teaching strategies to increase test scores. But more importantly, they identify personal areas of strengths and share these with their colleagues.

Extensive collaboration between the administration, both general and special educators and parents is very important. This communication is imperative for improving comprehensive literacy instruction for all students within inclusive classrooms. By implementing data based instruction that allows the teacher to individualize general education, struggling learners that would normally be “left behind” develop a sense of belonging and a desire to learn. We continually celebrate their accomplishments throughout the year. Research shows that if you want to maintain a behavior or result, you must celebrate the accomplishments. These celebrations encourage higher student achievement.

Positive Behavior Support

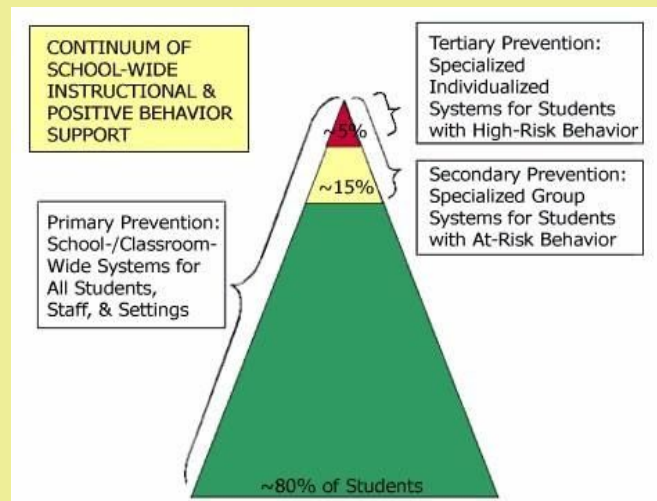

The purpose of the Stewart County District Wide Positive Behavior Support Initiative is to establish and maintain safe and effective school environments that maximize the academic achievement and behavioral competence of all learners in Stewart County.

Positive Behavior Support...

- *Aims to build effective environments in which positive behavior is more effective than problem behavior
- *Is a collaborative, assessment-based approach to developing effective interventions for problem behavior
- *Emphasizes the use of preventative teaching, and reinforcement-based strategies to achieve meaningful and durable behavior and lifestyle outcomes

ATTENDANCE

TENNESSEE COMPULSORY SCHOOL ATTENDANCE LAW T.C.A 49-6-3001-

Every parent, guardian, other person residing within the state of Tennessee, having control or charge of any child or children between the ages of six (6) and seventeen (17) years, both inclusive *, shall cause such child or children to attend public or non-public school, and in event of failure to do so, shall be subject to the penalties hereinafter provided. * The meaning of the word "inclusive" is that the child must attend school from six (6) until eighteen (18) years old.

ATTENDANCE REPORTS REQUIRED BY LAW T.C.A 49-6-3007- It is the duty of the principal or teacher of every public, private or parochial school to report promptly to the director of schools, or the director of schools' designated representative, the names of all children who have withdrawn from school, or who have been absent five (5) days (this means an aggregate of five (5) days during the school year and not necessarily five (5) consecutive days) without adequate excuse. Each successive accumulation of five (5) unexcused absences by a student shall also be reported. Such superintendent shall thereupon serve, or cause to be served, upon the parent, guardian, or other person in Tennessee in parental relation to such children unlawfully absent from school written notice that attendance of such children at school is required. The superintendent of any local school system, after written notice to the parent or guardian of a child, shall report any child who habitually and unlawfully absents himself from school to the appropriate judge having juvenile jurisdiction in that county, the child to be dealt with in such manner as the judge may determine to be for the best interest of the child.

PENALTY FOR VIOLATIONS T.C.A 49-6-3009-Any parent, guardian, or other person who has control of a child, or children, and who shall violate the provisions of this part commits a Class C misdemeanor and upon conviction thereof shall be subject to a maximum 30 days incarceration and a fine not to exceed \$50 plus court costs. Each day's unlawful absence shall constitute a separate misdemeanor.

STEWART COUNTY BOARD OF EDUCATION ATTENDANCE POLICY

Recognizing that absenteeism is a hindrance to efficient education of students and that punctuality and regularity of attendance affect the progress of a student at school, the Stewart County Board of Education has adopted the following attendance policy. The parents/guardian or other person having charge and control of a child is held responsible for the child's regular school attendance.

A student's absence is determined to be "excused" or "unexcused" and is based on the following information:

EXCUSED ABSENCES

1. The student's personal illness or hospitalization. A physician's statement or parent conference may be required at any time should the principal or the Director of Attendance deem it necessary. If the illness or the hospitalization is to exceed ten (10) consecutive days, the parent/guardian should apply for homebound instruction.
2. An illness or incapacitating condition of a family member which requires the temporary help of a student. (A physician's statement may be required.)
3. A death in the immediate family. (family includes parent, stepparent, guardian, grandparent, brother, sister, stepbrother/sister, aunt and uncle.)
4. Recognized religious holidays/events. Parents and guardians are requested to inform the school principal prior to a student being absent from school for religious holidays/events.
5. Required court appearances. A student may be excused from school attendance for required court appearances. (Verification from appropriate authorities must be provided.)
6. Other emergency or unusual extenuating circumstances beyond the control of the student. These must be approved by the school personnel. Students and parents have the right to appeal any attendance matter to the attendance review committee.

UNEXCUSED ABSENCES

Absences for reasons other than those stated above may be for reasonable cause but are considered to be "unexcused" for official school record keeping and attendance purposes.

STUDENT ATTENDANCE GRADES K-8

All absences will be marked unexcused unless the school receives a communication from the parent. The school will only mark 5 absences excused with communication from the parent. After that, every absence will be marked unexcused unless the school receives a doctor's note or if there are other extenuating circumstances (i.e. death in the family). When a student has accumulated 10 absences (excused or unexcused) in a year, the school will hold a meeting with the student, parent, an administrator, and a guidance counselor to make a plan to improve attendance. If a student accumulates 5 unexcused absences, the school will hold a meeting with the student and parent to make a plan to improve attendance. The student will be placed on Tier 1

Truancy Intervention. The next unexcused absence, a meeting will be held and the student placed on Tier 2 Truancy Intervention. If another unexcused absence the student will go to Tier 3 Truancy Intervention and result in a Truancy Review Board and possible Juvenile Court. The attendance of students who have not reached the age of six (6) shall be satisfactory. Unsatisfactory attendance that is not supported by an adequate excuse may result in the suspension of a student for an indefinite period of time.

DEFINITIONS

Absent: A student is not in attendance in regularly scheduled classes at the school where he/she attends.

Present: A student is in attendance in regularly scheduled classes where he/she attends.

Early Dismissal: A student leaving a class or school early before the end of the school day.

Tardy: Entering class or school after the designated time.

Attendance Review Committee: A building level committee to review extenuating circumstances which would adequately explain a student's excessive absence from school and/or class. The Attendance Review Committee is composed of the superintendent or designee, attendance supervisor, principal or designee, guidance counselor, and a classroom teacher.

TARDINESS

School begins at 7:45 a.m. for all grades. Unless you are in your classroom at the time scheduled, you are tardy. Tardy students must get an admittance slip from the office. **Early dismissals and tardies will reflect on a student's permanent attendance record. On your students report card late entries and early dismissals will both be displayed as tardies.**

STEWART COUNTY SCHOOL SYSTEM TARDY AND EARLY DISMISSAL POLICY

Instructional time is very important to a student's academic potential. Therefore, excessive tardiness and early dismissals have a negative impact upon a student's success in school. Recognizing this, the following policy will be implemented.

The actions listed below will apply for unexcused tardies and/or unexcused early dismissals incurred during each grading period:

Grades K-8: 9 weeks grading period

Grades K-8: 5 unexcused tardies and/ or unexcused early dismissals- send parent/legal guardian a copy of the tardy and early dismissal policy along with the number of tardies and/ or early dismissals

10 unexcused tardies and/ or unexcused early dismissals-meeting with parent/legal guardian

Failure of a parent/legal guardian to correct tardiness and/ or early dismissal problems may result in a referral to the Truancy Review Board.

TRUANCY REVIEW BOARD

The Stewart County Truancy Board is a body of concerned citizens who recognize the necessity of regular school attendance. This is a joint effort by the school, juvenile court, law enforcement, and community health agencies. This mission and purpose of the Truancy Review Board is to:

1. Ensure compliance with compulsory attendance laws and Board of Education policies.
2. Send a generalized message to the truancy population that compulsory attendance laws will be enforced.
3. Advise and educate parents of their rights and responsibilities.
4. Reduce number of dropouts and retention rates due to non-attendance.
5. Decrease time of Attendance Supervisor for prosecuting cases in court.

As of August, 1999, this board will meet as needed at the Stewart County Board of Education. Referrals to the Truancy Review Board will be based on students who have demonstrated a history of truancy. (For more information, please contact Marian Page at 232-5176.)

LEAVING THE BUILDING EARLY

Parents may pick up students early by calling in an early dismissal. Student will be brought to the front door for pick up. Students will need to leave before 2:30. After 2:30, parents must go to the parent pick-up line. ONLY THOSE LISTED ON THE EMERGENCY CARD WILL BE ALLOWED TO OBTAIN AN EARLY DISMISSAL FOR A STUDENT.

EMERGENCY CLOSING OF SCHOOL

PLEASE DO NOT CALL THE SCHOOL. Information regarding emergency closing of schools will be announced over the radio (103.5 The Froggy), WSMV channel 4, or automated phone messaging system. Unless teachers are told otherwise, students will follow their normal afternoon schedules as designated by their parents unless a car rider note is called in to the office (No bus changes).

LUNCH

1. Breakfast and lunch are free for all students. Students should use good table manners at all times during their lunch period.
2. Throwing food will not be tolerated.
3. Food, snacks, drinks, straws, etc. may not be taken from the cafeteria.
4. Students are not allowed to bring carbonated beverages (coke, sprite, etc.).

Students should talk in a normal conversational tone. If the noise level becomes too high, the monitors on duty may take away the privilege to talk. **In order to continue free lunch and breakfast, ALL families must complete the free and reduced family form.**

GRADING SCALE

Scale- Report cards will be sent home four times a year on a nine-week grading period for Grades K-5. Report cards go home five days following the end of the grading period.

Parents must sign and return the cards to the classroom teacher. Progress reports will be sent home at 3- and 6-week intervals between report cards. Please sign progress reports and send them back immediately.

Teachers will also send home progress reports that are to be signed and returned. Grades K-5

GRADING SCALE (Cont.)

90-100	A (outstanding)
80- 89	B (above average)
73- 79	C (average)
70- 72	D (below average)
Below 70	F (unacceptable)

Homework Policy

Homework is an important part of your child's school experience. Supporting good work habits requires a joint effort. While not doing your child's homework for them, please provide necessary assistance and a positive, supportive attitude when your child is completing assigned tasks according to instructions from the teacher.

The following are the established daily homework time guidelines for students who attend North Stewart Elementary School:

All Grades Read 20 minutes every night

Kindergarten and 1st Grades: Monday-Thursday 15-20 minutes daily

2nd Grade: Monday-Thursday 20-30 minutes daily

3rd and 4th Grade: Monday-Thursday 35-45 minutes daily

5th Grade: Monday-Thursday 50-60 minutes daily

The above guidelines are suggested times. Please take into consideration the rate of time at which your child works.

If your child will be absent for two or more days, please call the school before 10:00 AM to request homework. You may pick up your child's homework in the office between the hours of 3:00 PM and 4:00 PM. If you contact the school after 10:00 AM, your child's homework may or may not be available. Students will have the same number of days as absent to make up their work.

Homework brings the school and home closer together. As the school and home share the responsibility for education in the years ahead, cooperation between home and school is even more imperative to develop a sound and sensible educational program at North Stewart Elementary for each and every student.

Facilitate best practice based on the most current recommendations from the CDC. A room will be designated in each school for students exhibiting symptoms.

SCREENING FOR THE DISEASE

Consult your medical provider for any other symptoms that are severe or concerning. The system response to possible COVID cases will be handled on a case by case basis.

Please review the checklist below each day. If you answer yes to any of these questions, please do not board a bus or enter the school buildings.

- Fever (if you have a 100.4 or greater, you can not return until you are fever free for 24 hours without medication)

- Chills?
- A new cough?
- Extreme tiredness?
- Shortness of Breath?
- A new sore throat?

Please go to the district website www.stewartcountyschools.net for the most up-to-date information regarding COVID protocols and procedures.

Medication - Students are not permitted to bring prescription or non-prescription drugs to school. **State Law requires that all medication be brought to school by a responsible adult** and should be in its original new sealed bottle if over the counter or the original prescription bottle. Medicine (including over the counter) is not to be in the possession of a student at any time except for emergency medication which must first be checked in through the school nurse. Forms must be completed by the parent and/or physician in order for any medication to be administered to the student

Excuses from PE class - TN State law requires all children to participate in physical education. North Stewart Elementary does not require a physical education uniform. Students may be excused from PE for the following reasons:

1. Note from parent or guardian indicating a one-day minor illness or condition that would not allow the student to participate.
2. Note from Doctor.
3. Religious exemptions signed by an ordained clergyman.

Students who do not take PE will not participate in recess as well.

Immunizations - All students enrolling in the State of Tennessee must have their immunizations up to date. Shot records can be taken to the Stewart County Health Department. They will in turn give the student a white form which is proof of immunizations.

STUDENT HEALTH SCREENINGS NOTIFICATION

As required by the Tennessee Department of Education, mandated Student Health screenings will be conducted at your child's school this year. The high school students will be screened in their Wellness classes. Austin Peay State University (APSU) Nursing Department, Lions Club and various other trained volunteers will be assisting with screenings. While all information is private and confidential some information may be shared with the classroom/PE teacher(s) such as elevated blood pressure, vision or hearing needs to assist with your students' educational needs. This data is reported to the Tennessee Department of Education and the Tennessee Department of Health.

We will be screening to determine if your child has a health risk that 1) needs medical attention and/or 2) might affect his/her classroom work. Pre-K, K, 2 and 4 grades **may be** rescreened at the **end** of the school year to allow for rescreening during the following year. The screenings are typically conducted in but not limited to these grades:

Vision & Hearing – Grades Pre-K, K, 2 and 4. **Dental** – Grades K, 2, and 4.

Blood Pressure & Height and Weight – Grades K, 2 and 4.

You will be notified of the results of your child’s screenings only after review by the school nurse and if there is a need for further evaluation. You may request them by contacting the school nurse at the number indicated below. These screenings do not qualify as an examination and parents are encouraged to make sure your child has annual medical checkups as well as bi-annual dental checkups. ***You will be notified if any screening is thought to be outside of normal range.***

The state mandated screenings usually take place the first few months of school but could be conducted at any time during the year. If you have any questions regarding this free service, **or if you want your child excluded from the Health Screenings, please contact the School Nurse at the number below or return a note with your child’s name, grade, and homeroom teacher stating that you do not wish for your child to be screened and sign/date it.**

GENERAL

MEDIA ACCESS TO STUDENTS

School administrators shall be authorized to grant permission and set parameters for media access to students in their respective schools. Media representatives shall be required to report to the administration for prior approval before accessing students involved in instructional programs and activities not attended by the general public. The media may interview and photograph students involved in instructional programs and school activities including athletic events. Such media access shall not be unduly disruptive and shall comply with Board policies.

Each year parents/guardians will be given the option to withhold permission for public news media interviews or photographs of their child at school. Specific parental/guardian permission must be obtained if the story or photograph covers topics of a sensitive nature. If any student is to be filmed or videotaped and will be identified or a primary subject of the filming or videotaping, prior written consent/release/waiver will be obtained from the student’s parent/guardian.

District employees may release student information to the media only in accordance with applicable provisions of the education records law and Board policies governing directory information and personally identifiable information.

BOOKS, MATERIALS, AND EQUIPMENT

All textbooks, library books, and other materials and equipment necessary to the educational process are property of the Board of Education. Students are responsible for their proper care and safeguarding. Students

are not to mark or damage books and materials in any way. Failure to return and/or provide replacement value shall result in 1) no additional books, materials, or equipment being issued to the student.

PHONE CALLS

Generally, students receiving telephone calls during school hours are not called to the telephone. The office will take a message and forward it to the student. Only in emergency situations are students removed from class or another school activity to receive a telephone call.

FIELD TRIPS

Students who leave on a school sponsored trip will accompany the teacher and group back unless arrangements are made in advance for a parent or guardian to pick the student up in person. The parent/guardian will be responsible for the student at that time.

In many instances, it will be necessary to have permission slips turned in before leaving the school. Students who ride buses on all school-sponsored trips are under the jurisdiction of the teacher and bus driver at all times. All school rules are in effect during school sponsored trips. Any violation of these rules or unsatisfactory conduct will result in the student being suspended from making any further school trips. Other disciplinary action may be imposed. It is the responsibility of the student to obtain and complete all assignments missed while on a school-sponsored trip.

SUPERVISION OF STUDENTS BY TEACHERS

It is the duty of each member of the NSES faculty to make needed corrections to students at any time during the school day. This includes the time at school prior to 7:45 a.m., during lunch, assembly, restroom breaks, outside the building and at all school sponsored activities.

PHONES AND ELECTRONIC DEVICES

Cell phones or electronic devices can not be used during the school day. If the electronic device is found out the device will be turned into the office.

- 1st Offense- Turned into office, returned at end of the day
- 2nd Offense – Turned into office, device kept overnight, returned next day
- 3rd Offense – Turned into office, parents must pick up device

ASSEMBLY PROGRAMS

NSES has a reputation as being an excellent audience for visitors. Courtesy is always appreciated by visiting performers and speakers. Students are to sit in the area designated for their class. Any disruption during an assembly program will result in disciplinary action.

ENERGY DRINKS

All energy drinks are prohibited.

EMERGENCY DRILLS

Periodically the school holds emergency fire, tornado, bomb threat, earthquake and intruder drills. At the beginning of each semester, teachers will notify students of the procedures to follow in the event of a drill. Emergency procedures and proper exit areas are posted in all rooms.

Students are expected to remain quiet and orderly during a drill or an emergency. Students who pull the fire alarm or call in false alarms, in addition to being disciplined under the school district's *Student Code of Conduct* may be reported to law enforcement officials.

LATE PICKUP/BUS DROP OFF

We continue to have a problem with some parents, not taking responsibility to ensure that their child is picked up from school in a timely manner or there is no one at home to care for children when the school bus drops them off in the afternoon. Children under the age of 12 will not be let off of the bus by the bus driver, unless the bus driver sees someone at the residence. Parents will need to talk to the Transportation Director to make any arrangements if this is not possible. Upon review of the problem, the following actions have been deemed to be appropriate in response to the problem and shall be implemented.

The principal shall make notice in the student handbook that this problem exists, what constitutes this problem, and the possible consequences of violating this policy. This shall serve as a first notice.

FIRST OFFENSE: Upon the first offense of a child being left after school without prior arrangement with the school, the principal or the principal's designee shall make verbal contact with the parent(s) of said child to indicate that this problem has occurred. The principal will attempt to seek remedy of future situations with the help of the parent(s). The conversation shall be documented.

SECOND OFFENSE: In the event that a second offense occurs, the principal shall send a letter to the parent(s) of said child indicating an apparent continuing problem exists and outline possible consequences of further action of this type. The letter shall invite the parent(s) to discuss a remedy to prevent further action. The letter and any response shall be documented.

THIRD OFFENSE: Should a third offense occur, a letter requiring the child's parent(s) to attend a mandatory meeting shall be sent to the child's parent(s). The purpose of this meeting is to review the last two offenses and to explain that this will be the last offense before court action. This will allow the child's parent(s) to explain the circumstances of the offense. Actions and conversations relating to this offense shall be documented.

FOURTH OFFENSE: In the event that a fourth offense occurs, the principal or the principal's designee shall contact the court with documentation of prior actions taken to discuss filing charges for dependent child neglect.

The principal, after a review of the facts of each individual case, has the option of escalating or de-escalating the response to each offense. If the facts of an individual case, after review, should lead a reasonable person to believe that the case is more serious or less serious in nature, then the principal may defer to any action deemed appropriate from the options above and clearly document why such action has been taken in lieu of the prescribed order of steps. The principal may seek the assistance of local law enforcement when deemed necessary.

STUDENT CODE OF CONDUCT

BUS CONDUCT

The buses will be disinfected in between routes. We have also installed hand sanitizer stations on every bus. The bus drivers have disinfectant wipes and aerosol disinfectants to use (when the students are not onboard). We are going to assign seats by family and hopefully have enough room to skip a seat in between families. I am going to suggest they leave the windows down as much as possible, to get airflow throughout the interior of the bus also. Those buses with bus monitors - student's temperature will be checked before loading the bus at home in the morning.

Bus service is an extension of the classroom. Student behavior on a bus is to be consistent with the established standards for classroom behavior. All reasonable directions given by the driver are to be followed. Students brought to the office for inappropriate behavior will be given a warning, ISS, or, depending on the infraction, may lose bus privileges for a minimum of 5 days. A student wishing to ride a bus other than his/her own must bring a note from the parent to the classroom teacher or office. The note must be signed by the office staff and given to the bus driver by the student.

SCHOOL BUS RULES & REGULATIONS FOR STUDENTS

1. To ensure safety, everyone is under the supervision of the bus driver on the bus. Passengers must respond promptly to instructions given by the bus driver including seating assignments.
2. The bus is an extension of the classroom and all rules of behavior for students as specified by School Board Policy and the School Handbook Manual are applicable.
3. Food, drink, and candy on the bus are prohibited except in unusual circumstances as specified by the bus driver or Supervisor of Transportation.
4. Animals, oversized objects (including balloons), and glass containers are not permitted. Flammable items are not to be on the bus including cigarette lighters or matches.
5. Passengers must observe conduct similar to that in the classroom. Ordinary conversation is permitted. Horseplay, unruly behavior, abusive, obscene language or gestures are not acceptable.
6. Keep aisles and step-off platforms clear at all times.
7. The student should never extend any portion of the body outside bus windows. Objects are not to be thrown from the bus.
8. Students are to sit in the seats. Students should not attempt to move about while the bus is in motion but remain seated until the bus stops.
9. Damage to the bus must be paid for by the student/guardian. Bus service will not be provided until this is done or arrangements are made.
10. Regular pickup time schedules must be observed by the student.
11. Students must wait at the proper stop and never stand in the road.
12. Students are to wait for the driver's signal before crossing the road to board the bus. Students are to cross well in front of the bus.
13. Observe driver's instructions when loading or unloading.
14. Drivers will not unload passengers at places other than the regular stops.
15. Failure to follow regulations, procedures, or bus driver directions may result in suspension from bus service.
16. Parents/guardians should never board a bus to talk to the driver. Any issue or problem should be addressed at the school.

--SAFETY IS EVERYONE'S RESPONSIBILITY-- BUILDING RULES

1. **Students may enter the building after 7:10 a.m. There will be no supervision prior to 7:10.**
2. All students will be dismissed through the office. Parents are not to go to the classrooms unless they have cleared it through the office prior to the visit and are wearing a visitor's pass.
3. Chewing gum is prohibited.
4. Obscene or vulgar language will not be tolerated at North Stewart Elementary.
5. No student may ride motorbikes or bicycles on campus, nor should they be on the playground after school hours.
6. Radios, electronic games, toys, etc. or other items that could cause disruptions are not to be brought to school. The teachers may collect any items that cause a disruption to the learning process. These items must be picked up by the parents. Phones or any electronic device cannot be out during the school day.
7. During assemblies, courtesy should always be shown to our guests. Entering and leaving the assemblies is to be done quietly and orderly. The appearance of someone on the stage or at the microphone is the automatic sign for silence.
8. Soliciting and/or sales by individuals or non-school groups is not permitted. School clubs and organizations must secure permission from the principal to sell items of any type at a school sponsored activity.
9. A note or phone call is required from the parents if their child is being picked up by anyone other than the people on the child's emergency card, or being picked up by a parent after school when the child usually rides the bus home.
10. Parents must notify the school **before 1:30** to request that a child be a car rider unless they are a scheduled car rider everyday. This ensures enough time to notify the student of the bus change before the dismissal of school.

2020-2021 ADDENDUM TO THE CODE OF CONDUCT

Addendum to Code of Conduct

Stewart County Schools understands that there are challenges that accompany the drastic changes that have occurred as a result of extended school closures. This Addendum to the Stewart County Schools 2020-2021 Code of Conduct details the expectations of students in light of these changes, as well as the application to students even if the traditional school structure has shifted to a remote or hybrid learning model.

Application of Code of Conduct under Traditional School Model

Within the traditional school model, the 2020-2021 Code of Conduct shall apply to all students as issued. In order to clarify the application of the Code of Conduct in light of the pandemic, Stewart County Schools expands the Code of Conduct definitions for the following:

- Students who threaten to spread an infectious disease, specifically COVID-19, through verbal or physical acts to other students or District staff will be disciplined. There will be no tolerance for this type of behavior. Acts of this nature shall be categorized as a "Category 3: Threat to Others." Students will be subject to the disciplinary consequences as a Major Referral.
- If a federal or state governmental order is in effect that requires the wearing of a cloth face covering or mask, refusal to wear a mask will be considered a dress code violation that could be subject to disciplinary consequences as a Minor referral. Face coverings must abide by the student dress code and cannot feature images that may be disruptive to the learning environment.

Application of Code of Conduct under the Hybrid/Remote Learning Model

The Code of Conduct applies during the school day, during any school-related activity (on or off campus), including during remote learning, whether the learning is occurring in a synchronous or asynchronous virtual classroom. In the event that Stewart County Schools shifts to a Hybrid or Remote model of learning, due process may be administered by an administrator virtually or via telephone.

Disruptive classroom behavior during live remote instruction, online cyberbullying, fraudulent online attendance, and academic dishonesty using an electronic device will be subject to disciplinary action. Potential disciplinary consequences may be expanded from those listed in the Code of Conduct subject to administrator discretion and may include limiting a student's ability to participate using video or audio during live remote instruction. Additionally, a teacher may temporarily limit a student's ability to participate in live remote instruction using audio or video capabilities if the student's behavior is disruptive to the online classroom environment.

Stewart County Schools encourages students and families to thoroughly review the District's Acceptable Use Policy, as violation of this policy using District technology may be grounds for disciplinary consequence.

CARE OF SCHOOL PROPERTY

Students are responsible for the proper care of all books, supplies, furniture, and equipment supplied by the school. Students who deface school property or do other damage to school property or equipment will be required to pay for the damage done or replace the item.

DRESS ITEMS AND GROOMING

Student's dress and grooming must not disrupt the educational process, interfere with the maintenance of a positive teaching/learning climate, or compromise reasonable standards of health, safety, and decency. The wearing of clothing, hair arrangements, or other personal adornments clearly intended to be disruptive or to interfere with the regular operation of school are prohibited. Also, the dress or appearance must not interfere with the rights of others. The following attire is prohibited:

1. Head coverings of any kind, including but not limited to scarves, bandannas, masks, kerchiefs, caps, or hoods. Hair rollers are not to be worn in the building.
2. Footwear which marks/damages floors.
3. Sunglasses
4. Spiked or studded attire or accessories.
5. Attire or accessories which portray disruptive writing or pictures.
6. Attire or accessories which depict logos or emblems that encourage the use of drugs, tobacco products, or alcoholic beverages.
7. Clothing depicting any words or symbols, including those with double meanings that could in any way be construed as sensual, sexual, violent, obscene, or with inappropriate language.
8. Shirts and/or blouses, which reveal the abdomen, chest, back, or undergarments. (Any tops that reveal the abdomen when the arms are raised above the head are not appropriate.)
9. See through clothing, white undergarment type T-shirts, biker shorts, and clothes with excessive tears or holes.
10. Shorts, miniskirts, or dresses which reveal the upper thigh or undergarments. (These should reach the fingertips when arms are at sides.)

11. Clothing or jewelry that is obscene, profane, provocative, or contains inflammatory words or pictures. 12. Clothing or accessories displaying words or pictures that is offensive based on race or gender or that harasses, threatens, intimidates, or demeans an individual or groups of individuals because of sex, color, race, religion, handicap, or national origin.
13. Clothing, apparel, tattoos, accessories, jewelry or “colors” that are specifically intended to identify one as a member of a gang which is associated with criminal activities.

15. Piercing of body parts that might pose a safety hazard.
16. Large duffel bags will not be allowed to be used for book bags.

CONDUCT ITEMS

Students are expected to conform to the rules and regulations of the school system. Below is a noninclusive list of behaviors deemed inappropriate for the school environment. These behaviors may result in disciplinary actions. These actions are at the discretion of the Principal and Assistant Principal. Repeat offenses will result in more severe punishment. The superintendent shall have the authority to modify this suspension requirement on a case by case basis.

WEAPONS AND DANGEROUS INSTRUMENTS

It is in violation of school policy and State Law for anyone to bring a dangerous weapon on school premises or at any school-sponsored event or activity. Any weapons found upon a person, within an automobile or any other manner upon school property will be confiscated and reported to law enforcement authorities. Persons who bring such items on school premises, whether students or not, will be prosecuted in accordance with State Law.

Dangerous weapons for the purpose of this policy shall include, but are not limited to "...any firearm, explosive, explosive weapon, bowie knife, hawkbill knife, ice pick, dagger, slingshot, switchblade knife, blackjack, knuckles..." TCA 39-17-1309

A student in possession of a knife with a blade in excess of three (3) inches at any of the above places will be considered in possession of a dangerous weapon.

Student Discrimination, Harassment, Bullying, Cyber-bullying, and Intimidation under Title IX

North Stewart Elementary School has determined that a safe, civil, and supportive environment in school is necessary for students to learn and achieve high academic standards. In order to maintain that environment, acts of bullying, cyber-bullying, discrimination, harassment, hazing, or any other victimization of students, based on any actual or perceived traits or characteristics, are prohibited.

Bullying, intimidation and harassment is defined as an act that substantially interferes with a student's educational benefits, opportunities, or performance, and the act has the effect of:

- Physically harming a student or damaging a student's property
- Knowingly placing a student or students in reasonable fear of physical harm to the student or damage to the student's property
- Causing emotional distress to a student or students
- Creating a hostile educational environment

Alleged victims of the offenses shall report incidents immediately to a teacher, counselor, or building administrator. The principal or his/her designee shall be responsible for investigating and resolving complaints. The principal or his/her designee shall notify the parent(s)/guardian(s) and the Title IX coordinator when a student is involved in an act of discrimination, harassment, intimidation, bullying or cyber-bullying.

Please refer to Board Policy 6.304 for detailed definitions, complaints and investigations, response and prevention, reporting and retaliation and false accusations. Board Policy can be found on the district website at stewartcountyschools.net under System Guidelines or you may contact the Stewart County Board of Education at 931-232-5176 for more information.

THREATS

The administration of NSES will take all threats of violence including verbal, written, and physical threats very seriously. Any student that threatens another student is subject to harsh disciplinary action.

DUE PROCESS

No disciplinary measure of any nature shall be imposed against a student until the student has been given oral or written notification of the charges against him/her. If the charges are denied, the student will be given an explanation of the evidence against him/her and an opportunity to present his/her version of the facts.

PARENTAL NOTIFICATION

Parents will be notified of all disciplinary procedures handled in the office. For more minor offenses, this will usually consist of a disciplinary notification form sent home with the student. This form must be signed by the parent/guardian and returned to the office. Failure of the student to return this form will result in the extension of any assigned punishment or the assignment of additional punishment. In the case of out of school suspensions or expulsions, parents will receive personal notification in the form of a phone call. In these cases, the parent may be required to meet with the principal or pick the student up from school.

NORTH STEWART ELEMENTARY SCHOOL BULLYING/INTIMIDATION/SEXUAL HARASSMENT PLAN

If a student is experiencing a bullying situation they are to:

1. Stop – Using hand signals
2. Walk away.
3. Talk/Report to an adult

When problem behavior is reported, the following response will be initiated:

1. Reinforce the student for reporting the problem behavior (ex. I am glad you told me.)
2. Ask who, what, when, where.
3. Ensure the student’s safety (victim and/or witness)
 - a. Is the bullying still happening?
 - b. Is the reporting student still at risk?
 - c. Fear of revenge?
 - d. What does the student need to feel safe?
 - e. What is the severity of the situation?
4. “Did you tell the other student to stop?” (praise student for appropriate responses)
5. “Did you walk away from the problem behavior?” (again, use praise student for appropriate responses)
6. Investigate.
7. Speak with perpetrator(s).
8. Contact parents.
9. Use punishment only if problem behaviors continue.

TRANSFER OPTION FOR STUDENTS VICTIMIZED BY VIOLENT CRIME AT SCHOOL

Under the Tennessee State Board of Education’s Unsafe School Choice Policy, any public school student who is the victim of a violent crime as defined under Tennessee Code Annotated 40-38-111 (g), or the attempt to commit one of these offenses as defined under Tennessee Code Annotated 30-12-101, shall be provided an opportunity to transfer to another grade-level appropriate school within the district.

Additional information regarding this option may be obtained by contacting Marian Page at 931.232.5176.

DISCIPLINARY OPTIONS

In school Suspension (ISS) - The principal or assistant principal may institute an in-school suspension for discipline purposes. The student will be placed in a physical setting where there will be appropriate supervision by a designated professional person. Any disruption by the student in this setting will result in the student being sent home. Most In School Suspension time is served during student recess or activity periods such as art or library. Removing a student from an academic class is a last resort. However, it is sometimes necessary to protect the other students from loss of instruction time.

Early/After School Detention - Students may be detained before or after the school day as a means of disciplinary action. The student will be given at least one day of notice before detention. Parents will receive

written notice before detention takes place. Students in detention will be under the supervision of staff members. Detention will not exceed one hour before or after the official start or closing of the school day but may be administered several days in succession. Teachers must have the approval of the Principal or Assistant Principal before detaining the student.

Out of School Suspension - Any Principal or Assistant Principal may suspend any student from attendance at school or any school-related activity on or off campus or from attendance at specified class or classes, or riding a school bus, without suspending such student from attendance at school for good and sufficient reasons.

Expulsions

The Stewart County School System refuses to tolerate behavior dangerous to others or detrimental to the good order of our schools. Students exhibiting such behavior will be removed from the school system.

Student Complaints and Grievances (Code 6.305 Title IX Education Amendment 1972) Student complaints and grievances shall first be made to the teacher, then to the Principal. If not resolved, the matter may then be appealed to the Superintendent and ultimately to the Board.

DRUG AND ALCOHOL TESTING

Any student while on a school bus, on school property or while attending any school event or activity, who acts in an abnormal manner sufficient to cause reasonable suspicion that he/she has violated this policy concerning alcohol and drugs, will be required to submit to an alcohol and/or a controlled substance test upon the approval and written referral of the school principal.

A REFUSAL TO SUBMIT TO REQUIRED TESTING WILL BE TREATED AS A POSITIVE TEST RESULT.

SEARCHES AND SEIZURES

Any principal, or his/her designee, having reasonable suspicion may search any student, place or thing on school property or in the actual or constructive possession of any student during any organized school activity off campus, including buses, vehicles of students or visitors and containers or packages if he/she receives information which would cause a reasonable belief that the search will lead to the discovery of:

1. Evidence of any violation of the law;
2. Evidence of any violation of school rules or regulations or proper standards of student conduct;
3. Any object or substance, which because of its presence presents an immediate danger of harm or illness to any person.

Any items found in the course of a search may be turned over to law enforcement for investigation.

LOCKER SEARCHES

A student using a locker that is the property of the school system does not have the right of privacy in that locker or its contents. All lockers or storage areas provided for student use on school premises remain the property of the school system and are provided for the use of the students' subject to inspection, access for maintenance and search.

SEARCHES BY POLICE

If public health or safety is involved, upon request of the principal who shall be present, police officers may make a general search of students' lockers, desks, cell phones, or students' or non-students' automobiles for drugs, weapons or items of an illegal or prohibited nature.

PARENT/FAMILY INVOLVEMENT GENERAL EXPECTATIONS FOR ALL SCHOOLS

The school district shall be governed by the statutory definition of parent involvement as cited in the Elementary and Secondary Education Act (ESEA), and shall carry out programs, activities and procedures in accordance with this definition.

The Board shall implement the following as required by federal and state legislation:

- Every school district shall ensure Title I schools are in compliance with the *No Child Left Behind Act*.

STUDENT RIGHTS

Free Speech

Student rights to free speech also applies to communication on the internet and network. However, speech will not be restricted on the basis of a disagreement with the opinions a student expresses.

Search and Seizure

Parents and legal guardians have the right to request to see the contents of their student's files residing on any district-owned storage.

If there is reasonable suspicion that a student has violated this agreement, SCSS Policies, the Student Code of Conduct, or the law, an individual search will be conducted. The investigation will be reasonable and related to the suspected violation. Any student who is found to have violated this agreement, SCSS Policies, the Student Code of Conduct, or the law will be subject to the revoking of technology equipment, network, and internet privileges, disciplinary action, and/or legal action.

Due Process

SCSS will cooperate fully with local, state, or federal officials in any investigation related to any illegal activities conducted through SCSS technology equipment, network, and internet access. If the violation also involves a violation of the Student Code of Conduct, it will be handled as described in that document.

Limitation of Liability

SCSS makes no guarantee that the functions or the services provided by or through the SCSS network will be error-free or without defect. SCSS does not warrant the effectiveness of internet filtering. SCSS will not be responsible for any damage suffered, including but not limited to, loss of data, interruptions of service, or content or information accessed by students. Students are responsible for making a backup copy of all files upon graduation or leaving the school system. SCSS is not responsible for the accuracy or quality of the information obtained through or stored on the network. Violation or abuse of electronic and internet or communication devices or any SCSS policy related to the use of telecommunication or electronic devices may result in discipline in accordance with the Student Code of Conduct. SCSS administrators have sole discretion to determine whether any electronic communication, image, or illustration violates this agreement and the Student Code of Conduct.

As a student, I **WILL**:

Accept full responsibility, including discipline, financial, and legal liability for my actions using SCSS technology equipment, network, and internet.
